

**SİLLE SANAT SARAYI
YURDAGÜL ÖZSAVAŞCI CUP
2019**

There are two categories;
1 – Video Category

In this category, applicants are expected to submit a video with a subject integrity. The video sent must be shortest 1 minute and the longest 3 minutes. Videos that will have the image quality of at least full HD (1920x1080 pixels) resolution may be (.avi), (.mov) or (.mp4).

In the jury evaluation, documentary, fictional, creative values of the videos as well as photographic visual values will be taken into consideration.

Our expect from authors; it is not a photo slide in video format, but a recorded video clip.

2 – Serial Photographs

In these category applications, which will consist of at least 5, maximum 10 photographs, a portfolio with subject integrity and content complementary is expected. Photos to be sent must have a resolution of 300dpi and a short edge of at least 2000 pixels.

We look for a description file (preferably) is summarized, which briefly summarizes the subject.

For both categories, the theme of the competition is “Free” (Color or B & W).

Sille Art Palace YÖK CUP will be given to three successful participants (in each category)

Successful participants will not be able to apply in the following years. Other participants may apply each year.

Each year, the work of the participants with short videos and series of photos will be shown together with the award ceremony in the SSS Gallery and photo associations.

Individual participation to SSS - YÖK Cup accepted. (not open to group participation) and participation is free.

The applications of the photo slides together with the video images and the various effects and the individual photos that are in motion will not be accepted.

In the short video category, the participant can determine himself / herself as a player, with or without music, in a flow or in a conversation-free, slow or fast way.

Camera, drone, osmo, go pro, video camera or any kind of image recorder device is free to use

Total time is limited to at least 1min, maximum 3dk. Any participation outside of this will not be accepted.

At the beginning or at the end of a short video, the relevant information or music can be used. If the music is used, the name of the owner and the work must be included in the presentation. The participant's name cannot be included in the video content.

In the serial Photo category, which has the subject integrity and content complementary features; At least 5, maximum 10 pictures are required.

Each portfolio must have a title.

Photos to be sent must have a resolution of 300dpi and a short edge of at least 2000 pixels.

Each author must give a title to his / her portfolio.

TO ENTER:

Name of short video must have a nickname and the title of video. For example: "012345 – Bridges"

In order to participate in the Serial Photos category, the photos prepared should be collected in a folder and the folder should be named after the portfolio. The name to be given to each of the photos in the folder will be the "nickname-sequence number For example; "012345-1, 012345-2 etc"

The application form on the last page of the entry rules page must be filled in completely and this file should be added to the files to be sent.

The video, participation form and video information (if any) will be sent to sssyurdagul@sillesanat.com via WeTransfer. It is recommended that all files be compressed with "winzip" or rar winrar" programs before transfer and sent as such.
